About the Institute & School of Management:

National Institute of Technology, Warangal is the first among 17 RECs setup as joint venture of the Government of India and the state government. Over the years the college has established itself as a premier Institute imparting technical education of a very high standard leading to the B.Tech degrees in various branches of engineering, M.Tech, MCA, MBA and Ph.D programs in various specializations. All B.Tech and PG programmes of NIT Warangal are NBA accredited.

About School of Management:

Recognizing the need of techno-management, the institute has designed a comprehensive MBA program exclusively for engineers. Thus came into light the Centre for Management Studies, now "School of Management (SOM)" at NIT Warangal in 2000. The MBA Program offered by the School of Management is exclusively for Engineering Graduates. It is a two years course that runs into 8 quarters. The School of Management provides a well- balanced combination of academic and practical business oriented content. The updated curriculum with its wide range of video materials, databases like Prowess, case studies, research projects and other tools aim at enhancing the understanding of the business reality and also imbibing problem solving skills. The school has been accredited by Tata Consultancy Services and has good placement record.
